### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The applicant's claim language "manually guided movement" and "manual moving", as used within the independent claims, is interpreted in light of the specification (and as discussed in applicant's arguments) as meaning movement without the aid of any automatic/electronic means or other sources besides a user's sole hand pushing/pulling force as used in "free motion stitching".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
